5. Regular Agenda

5.1 Review Letter from Mike & Judy Lanier, 155 Suncrest Rd, concerning speeding vehicles.

Chief Doney advised that the police department had stepped up traffic enforcement in that area. Additionally, the radar speed trailer had been parked on Suncrest. The police department was contacted by Mr. Lanier who was happy with enhanced visibility of the department.

Director Moody advised this complaint is similar to the complaint(s) received during the last TSTC meeting regarding speeding vehicles on Suncrest from the residents of Willow Springs. It was decided to get a contact name from Jackson County and refer residents to the County since the easterly portion of Suncrest Road is the county's jurisdiction.

5.2 Review of Talen Uniform Traffic Ordinance (2019-955-O)

The committee agreed to continue review of this ordinance, including putting it on the agenda for the next scheduled meeting in November. Chief Doney is comparing Talent's traffic ordinance with those of other local jurisdictions for review.
