Minutes CIP sub committee

Members attending:

Commissioner Joi Riley

Chair Felicia Hazel

Commissioner Dorian Hastings

Due to a misunderstanding about meeting time Chair Hazel arrived late and while Riley and Hazel were communicating with Hastings talked in general about how to move forward with writing.

Commissioner Hastings arrived at 12:30 pm and the discussion turned the expansion of the CIP to policy for all city committees outside of land use and community development.

CDD Moody came in and entered into the discussion around 1:15.

Meeting adjourned at 1:30.
