1. Call to Order and Roll Call

2. Approval of Minutes

Motion to approve minutes by Commissioner Buono, seconded by Commissioner Hauser. All approved minutes.

3. Regular Agenda

3.1 Business Engagement

- Discussion and planning on the questions commissioners will ask local businesses. Sample questions submitted by Buono and Wilcoxson.
- Questions 1-3 can be filled out by interviewer
- Remove Q4
- Discussion involved which to choose, the order of the questions and consolidation
- Suggestion to add an announcement in the publication The Flash to alert local businesses they would be approached and/or to invite them to participate
- The Commission will set up a Gmail account for those businesses that would rather send in their responses
- When the Commission receives the local business list, the names will be dispersed among all the Commissioners
- Commissioners will take the June break from meeting to approach businesses

3.2 Economic Development Survey

Commissioner Wilcoxson let Commissioner Locke know how much we appreciated the work he put into creating a more easily digestible spreadsheet of the survey we conducted. Commissioner Buono asked if we should pull key points of the survey to present to Council, or if we should provide the entire survey. It was decided that we would prepare an executive summary with accompanying graphs, thank the public for participating in the survey, and offer it both to the Council and the public as part of a future presentation.

3.3 EDC Study summary was provided by Commissioner Chavez

Discussion by the Commission followed that included what key points were gleaned from the survey, what conclusions did it provide and we affirmed that the study was a comprehensive 20-year plan. It was a good indication of the potential of our city and what we have to work with.

3.4 Other Business

Discussion on the current Talent City website and how it needs improvement. It was decided that our Commission would like to have input before they start the development of a new website. Commissioner Wilcoxson will contact Councilmember Dolan to see how we can do this.

We discussed ideas for having a mixer to invite the public to know about our Commission. An autumn date, after recommendations to the City Council was suggested. The purpose of the mixer is to share with the public the work we have been tasked with and our accomplishments.

4. Agenda Items for next meeting on Thursday, May 9, 2019 at 6:30 pm

1. Review our experience with approaching business owners with our questions
2. Send any items we wish to have on the next agenda to Wilcoxson
