APPROVAL CRITERIA

8-3 Division D. Article 2 of the Talent Zoning Code regulates uses in the Central Business District.

8-3 Division L. Article 1 of the Talent Zoning Ordinance regulates Site Plan Reviews. The purpose of a site plan review is to “*determine and establish compliance with the objectives of the Zoning Code in those zones where inappropriate development may cause a conflict between uses in the same or an adjacent zone and to determine the conformance with any City plan.*” Approval of a site plan or site plan amendment must comply with this section.

8-3 Division L. Article 2 of the Talent Zoning Ordinance authorizes conditional uses. *All uses permitted conditionally are declared to be in possession of such unique and special characteristics as to make questionable or impractical their being included as outright uses in any of the various zones herein defined. The purpose of the conditional use process is to determine the desirability of certain uses and to allow proper integration into the community of uses, which may be suitable only on certain conditions and at appropriate locations. The reasons for requiring special consideration may involve, among other*

things, the size of the area required for the full development of such uses, the nature of the traffic problems inherent in the operation of the use, and/or the effect such uses have on any adjoining land uses and, on the growth, and development of the community as a whole. Approval of a conditional use must be consistent with this section.
