

Meeting Minutes  
Citizen Involvement Plan  
Sub-committee of Planning Commission  
Nov. 9, 2017

Attendees:

Commissioner Chair Hazel  
Commissioner Riley  
Commissioner Hastings

The committee discussed aspects of the role a Committee for Citizen Involvement might play.

We agreed it would be a good idea to develop definitions of the common acronyms—CCI, CAC, CIP, CIE, Neighborhood Association, etc.—to help distinguish their various roles and relationships to one another.

We continued to work through each of the six components of the Goal 1, the state goal for Citizen Involvement, with specific steps for implementation. We completed through Objective 3, and agreed that we would continue to work on them at home before convening for our next meeting, Thurs., Nov, 16.
