The City of Talent is preparing a draft buildable lands inventory for all land inside the city limits. We are presenting it for citizen review and feedback. The open house will include maps of all the properties in the city limits identifying vacant and partially vacant land, and developed land.

This meeting will be in-person and virtually via Zoom. If you cannot attend, please send your comments to the email below or review the maps on our city website and fill out the survey by scanning the QR code below.

Questions about the project should be directed to Kristen Maze or Nick Schubert at the City of Talent at 541.535.1566 or kmaze@cityoftalent.org or nschubert@cityoftalent.org.
