## **EV Chargers Available for Use at Community Center**

We are excited to announce that the electric vehicle charging stations behind our Community Center are now up and running! Our Public Works department is pleased to inform Talent residents that the charging stations are available for public use. Although the charging units were installed several years ago, they were temporarily out of service due to increased usage and wear and tear.

Located at the Talent Community Center behind City Hall (110. E. Main St.), these charging stations feature 2 ports operated by OpConnect. To utilize the stations, users will need to download the OpConnect app and create an account. All associated fees can be conveniently processed through the OpConnect app.

Charge up your electric vehicle hassle-free and help contribute to a cleaner, greener community!

In compliance with the Americans with Disabilities Act, if you need special assistance, please contact TTY phone number 1-800-735-2900 for English and for Spanish please contact TTY phone number 1-800-735-3896.
