

Talent Police Department

A Year in Review
2022

Message from the Chief-

I am pleased to present the Talent Police Department 2022 Annual Report. It is impossible to encompass public safety in a brief document; this report highlights our department's efforts to engage and support the community and to summarize our overall commitment.

We can provide these valuable services to our community because of continued support from our city leaders and the community.

Talent Police is made up of 8 sworn officers, 3 non-sworn employees and 1 volunteer. It is an honor to work with the dedicated and professional staff within the Talent Police Department and to serve you each day. On behalf of our officers, professional staff, and volunteers, we look forward to continued partnerships to provide the best possible service to our residents and community.

Jennifer Snook, Chief of Police
