For Office Use Only:

I understand that meters are generally read around the 20th of the month and billed the last business day of the month. Payments are due by the last day of each month. If my water service is disconnected due to non-payment, a reconnection charge of \$25.00 from 8:30 am to 3:00 pm and an additional \$75.00 from 3:01 pm to 5:00 pm on weekdays in addition to full payment of past due amounts will be assessed and collected prior to renewing service. After hours, weekend and holiday reconnections are not available as accounts must be paid in full prior to reconnect and Public Works employees are not able to accept any payments. An adult 18 years of age or older must be present at the service address to verify and sign that the water has been turned on. If no one is present at the time the City employee arrives to turn water on, it will be left off and you will need to contact City Hall to set up a new date for water service to be activated.

The Utility Billing Department may, but is not required to, notify you if your water usage seems higher than normal. The water deposit shall be retained on the customer's account for two years. When an account is closed, or at the completion of two years of non-delinquent activity, whichever is first, the deposit will be applied to your account. Any outstanding water charges will be deducted from the deposit and any remaining credit will remain on the account.

Per City Ordinance #910, Article 4, Section 11, the property owner/authorized agent shall be responsible for all accumulated charges in the event that the tenant moves without having paid all outstanding water charges owed to the city. The property owner/authorized agent and the tenant are jointly and severally liable for all water charges, fees, penalties and interest.

Per City Ordinance #910, Article 10, Section 9, The City's jurisdiction and responsibility ends at the property line, and the city will in no case be liable for damages occasioned by water running from open or faulty fixtures, or from broken or damaged pipes inside the property line.

Additional information about our water services can be found on our website, www.cityoftalent.org, click on Departments and then Utility Billing.

FAVOR DE LEER ESTO: Entiendo que las cuentas de agua se vencen y hay que pagarlas el decimo dia cada mes y el agua es sujeta a corte sin previo aviso. Se le cobrara \$25.00/\$75.00 por reponerse. Se leen los contadores de agua cada usualmente 20 del mes y se los facturan cada primer dia del mes.

By signature below I agree to comply with all current and future regulations of the City of Talent regarding water service.
